

Join the Team that Powers the Global Real Estate Economy

CoreLogic® is an innovative, future focused company whose vision is to deliver unique property-level insights that power the global real estate economy. We have our sights set on a bright horizon—our path lined with the superior, data enabled solutions we deliver to our clients—and are looking for dedicated team members to help us soar to new heights.

Focused on the future.

Anchored by our history of success serving the global financial services and real estate markets, we emerged as an independent, publicly traded company in 2010. Our purpose: to empower our clients to make smarter decisions through data-driven insights. Using advanced technologies and analytical models, we create and deliver insightful business solutions to our clients worldwide.

Delivering unique property-level insights.

The breadth and depth of our data assets is only the beginning. We link our data sets with sophisticated analytics to create powerful solutions that enable our clients to make smarter business decisions and achieve operational excellence. Put another way, we apply data-driven insights to turn complex client problems into business opportunities.

Are you a thinker, doer and go-getter who is ready to make a difference?

CoreLogic may be the right opportunity for you. We are a diverse team who seek to have impact and drive the collective success of our company. No matter what your area of expertise, we empower you to put data-driven insights to work to help our clients solve their biggest challenges. We offer an environment that strives to inspire and engage and takes great pride in recognizing and rewarding a job well done.

Behind every great company are great people.

We believe that by unleashing the potential of our employees, we will realize the fullest potential of our company. CoreLogic is fast-paced, collaborative and future focused environment, where the ownership, respect and engagement that defines our culture is creating a team of employees who proudly demonstrate progressive thinking and a can-do attitude.

Achieve Balance.

At CoreLogic, our philosophy is simple: when you are happy and healthy as an individual, you work at your fullest potential. We seek to provide the resources our team members need to succeed professionally and personally. Personalize your medical, vision and dental care plans with a wide range of options. Are you looking for retirement plans, paid time off and flexible spending accounts? We have those too. And in addition, we provide tuition assistance, family scholarship programs, employee discounts and flexible work schedules.
