                NOTICE TO MOTOR VEHICLE CREDIT APPLICANT
                [This Notice complies with Minnesota Statute Section 53C.083]

A consumer report from a consumer reporting agency was used in connection
with your application to finance the acquisition of a motor vehicle.
Consumer reports include data about your credit history and payment
patterns. Consumer reports are important because they are used in deter-
mining whether to extend credit and may be used to determine the annual
percentage rate you may be offered.

If you have questions about your consumer report, you are entitled to
know the name, address, and telephone number of the consumer reporting
agency that provided the consumer report used to evaluate your loan
application. You may ask the dealer for this information. You may then
contact the consumer reporting agency at the address and telephone number
provided. You are entitled under federal law to a free copy annually of
your consumer report by calling 1-877-322-8228 or visiting
annualcreditreport.com.
